

To the candidates in the European elections from 23 to 26 May 2019

FOR ELDERLY PERSONS AND FOR PENSIONERS **WE DEMAND**

The right to a fair and decent pension income for both men and women provided by public systems based on intergenerational solidarity

The right to efficient healthcare through a quality long-term care by a public service that protects dependent people

The right to active aging for retired and older people in order to let them be protagonists of a society overcoming age-related discrimination

Fédération Européenne des Retraités et des Personnes Agées
